Wa -oh  
Wa -oh -oh  
Wa -oh  
Wa -oh -oh  
Ow -ow -ow -ow -ow

She likes to party  
She barely knows me  
I'm gonna take her home tonight  
She's looking lovely  
Shut up and show me  
I will never let her outta my sight  
Now we're dancing really slowly  
Darling would you hold me  
We're dancing really slowly  
Out in the rain  
We're dancing really slowly  
Darling would you hold me  
We're dancing really slowly  
Out in the rain

I'm the type of boy  
That she needs  
She's the type of girl  
Out of a magazine  
Shake shake shake your body  
Show me how you break it down  
Shake shake shake your body  
Show me how you break it down

I'm the type of boy  
That she needs  
She's the type of girl  
Out of a magazine  
Shake shake shake your body  
Show me how you break it down  
Shake shake shake your body  
Show me how you break it down

Just show me how you break it down  
Show me how you break it down  
(Show me how you break it down down)

I love your body  
She's acting naughty  
It's a crime  
If that girl isn't mine  
She'll drive you crazy  
But she's my baby  
Oh I can't get her off of my mind

Now we're dancing really slowly

Darling would you hold me  
We're dancing really slowly  
Out in the rain  
We're dancing really slowly  
Darling would you hold me  
We're dancing really slowly  
Out in the rain

I'm the type of boy  
That she needs  
She's the type of girl  
Out of a magazine  
Shake shake shake your body  
Show me how you break it down  
Shake shake shake your body  
Show me how you break it down

She said  
Shut up and kiss me tonight  
Well alright  
She said  
Shut up and kiss me tonight  
She said  
Shut up and kiss me tonight  
Well alright  
She said  
Shut up and kiss me tonight

Wa -oh  
Wa -oh -oh  
Wa -oh  
Wa -oh -oh  
Ow -ow -ow -ow -ow

I'm the type of boy  
That she needs  
She's the type of girl  
Out of a magazine  
Shake shake shake your body  
Show me how you break it down

Shake shake shake your body  
Show me how you break it down

I'm the type of boy  
That she needs  
She's the type of girl  
Out of a magazine  
Shake shake shake your body  
Show me how you break it down  
Shake shake shake your body  
Show me how you break it down

Just show me how you break it down  
Just show me how you break it down down
