Turn off the lights and you give it to me slow  
That's how I like it oh I like you  
Turn off the lights and you give it to me slow  
That's how I like it oh I know you  
Get me to the hospital cause you break my heart  
You're puttin' on your makeup it's tearing me apart  
I'm touching your skin it's doing me in  
You're addicted and I'm not loving it  
I need to know  
If you like me too  
Cause this feeling that I get  
I only get with you  
So take off your dress  
And show me what you do  
Take off your dress  
And show me what you do

Turn off all the lights  
(Uh oh)  
French kiss  
(All night)  
Turn off all the lights  
(Uh oh)  
French kiss  
(All night)  
Turn off all the lights  
(Uh oh)  
French kiss

Your bright red lipstick is killing me tonight  
Your bright red lipstick is killing me tonight  
Your bright red lipstick is killing me tonight

Girl you're a disaster but I don't care  
You're touching me with my hands in your hair  
So damn hot  
Girl I can't stop  
Oh my god  
Take me to the hot spot

I need to know  
If you like me too

Cause this feeling that I get  
I only get with you  
So take off your dress  
And show me what you do  
Take off your dress  
And show me what you do  
Turn off all the lights  
(Uh oh)  
French kiss  
(All night)  
Turn off all the lights  
(Uh oh)  
French kiss  
(All night)  
Turn off all the lights  
(Uh oh)  
French French kiss

Your bright red lipstick is killing me tonight  
Your bright red lipstick is killing me tonight

Turn off the lights and you give it to me slow

Turn off the lights and you give it to me slow  
That's how I like it oh I know you  
Turn off the lights and you give it to me slow  
That's how I like it oh I know you  
Turn off the lights and you give it to me slow
