This is 'bout a boy,
Who doesn't have a clue what he did wrong.
I'm talkin' 'bout a boy.
Who really only wants me cause I'm gone.
Yeah this is 'bout a boy,
Who don't know how to be a man.

Heres a story bout a guy that walked into my life.
And swept me off my feet like it was nothing.
He's was so perfect and everything was perfect
Til I found out that it so wasn't.
He loved himself more than anybody else.
The world revolved around him.
I shoulds seen it was just a game what a shame.
He almost had me going.
This is 'bout a boy.

Who doesn't have a clue what he did wrong.
I'm talkin' 'bout a boy.
Who really only wants me cause I'm gone.
Yeah this is 'bout a boy,
Who don't know how to be a man.

I bet you wish you woulda listened,
Paid me some attention.
Wish you hadnt taken me for grantid.
Now you call me beggin' for me to let you back it.
Guess it didn't work out like you planned it.
You love yourself more than anybody else.
And were never gonna be together.
You'll never learn, no your never gonna learn.
You probably don't know no better.

Cause your just a boy.
Who have a clue what he did wrong.
I'm talkin' bout your boy.
You really only want me cause I'm gone.
Yeah your just a boy.
Who don't know how to be man.

Then again your just a boy.
Who doesn't have a clu what he did wrong.

Yeah just a little boy.
Who really only wants me cause I'm gone.
I think I think you should grow up.
Maybe I did you right,
But your just a boy.
It's all about you boy.
