Daddy's yellin' get your butt out of bed, I sleep till' noon
but we gotta get the horses fed and get up it's just
another
day on the farm, ooooo. Mama's laughin' the fence is
down
the cows are out, she's watchin' daddy cause he's
never gonna
chase em' down and get up it's just another day on the
farm
I'll keep on smilin' thinkin' bout' tonight I got the
weekend and
it's gonna be alright. Friday nights were heading for
the big time
Hold on it's gonna be a good ride and that's right I'm
headin' for my Friday Night
Load the horses and throw the saddles in my truck we
are first tonight
we're cowgirl tough and get down and dirty at the
rodeo, ooo
Well I can tame a mustang right at the bronch and I'll
dance with all
the cowboys and a big ol' honkey tonk and Friday
Nights were
heading for the big time. Hold on it's gonna' be a good
ride and that's right were
heading for my friday night, i'm headin' for my friday
nights. Uh-ow!
Cowgirl up!!!
