"Angels eyes"

I am alive I am scared
Don't know what to do
Because of you you left me behind
Don't know what to do

bridge: Don't know what to do
Is this the way you treat me
There is a chance of confusion in an illusion
I'm lost again in your arms
I see the light of angels eyes

Go fix up your act this is not
the way you treat me
I am a girl
Love is a rythm but you
just walked through my door
oh oh oh

bridge

Is this the way you always felt
but you dont care this is much
about you
I hate you
I called you
I sent you.... letters
I emailed you but you just weren't there

brigde

Don't know what to do
Don't know what to do
I am scared
I missed you
Your the angels eyes
