Hey! hey! what's up!

Damn look who is talking about cheating
Your no least person to speak about that thing
We all know about you and that thing
(You call boyfriend) yah! I know that he gave you a ring
It shines like the sun unfortally (I hate the sun)
Baby how come you look so suprise aren't you having
fun

[Pre-chorous]

Will I'm sorry your shock
Damn it! why worry damn it! (this really suck)
Wow I guess your ouuta luck cuz

Ha! why you look so suprise
Yah! didn; t you tell me to compromise
Woah! didn't you see the sunrise
Go down with all your stupid lies
And all the promises you made went to hell
Wow! it time to forgive and time
To f**ken live just watch me

I'm sorry your really ashame
Will this is how this game
Goes you lose and your name
Is in everyone mouth saying your lame
The stupid day you came yah you came

[Pre-chorous]

Damn it! why worry damn it! (this really suck)
Wow I guess your ouuta luck cuz

Woah! didn't you see the sunrise
Go down with all your stupid lies
And all the promises you made went to hell

I waited forever
All my dreams took forever
But now I can do better
And I promise I'll never ever compromise (no, no)
