Lets run away
Name a place, where the
Air tastes like rain, and the
Sun shines like sunday morning
You bring your laugh, and ill
Ill bring my sense of humour
And we can waste the days
One week after another

Turn it up, turn it up, im fallin'
Turn the music up and fall in love with me
Turn it up, turn it up, im fallin'
Turn the music up and fall in love with me

Don't need a book
Don't need anything but
The art of conversation, and the
Lovely gift of sleep
We wont leave
Til sant on everyting and
Hard to fool a breeze, and
We've caught up on our day dreaming

Turn it up, turn it up, im fallin'
Turn the music up and fall in love with me
Turn it up, turn it up, im fallin'
Turn the music up and fall in love with me
Turn it up, turn it up, im fallin'
Turn the music up and fall in love with me
Turn it up, turn it up, im fallin'
Turn the music up and fall in love with me

When the night comes
We can stay in bed
What's left to talk about is
Better left unsaid

Turn it up, turn it up, im fallin'
Turn the music up and fall in love with me
Turn it up, turn it up, im fallin'
Turn the music up and fall in love with me
Turn it up, turn it up, im fallin'

Turn the music up and fall in love with me
Turn it up, turn it up, im fallin'
Turn the music up and fall in love with me
Turn it up, turn it up, im fallin'
Turn the music up and fall in love with me
Turn it up, turn it up, im fallin'
Turn the music up and fall in love with me
Fall in love with me
