All the nasty girls are around the world (2x)
Get nasty ah ah get nasty aaww
Living on the floor get down with me
Living on the floor come on with me

Get nasty ah ah get nasty aaww (2x)
Living on the floor get down with me
Living on the floor come on with me
Get nasty ah ah get nasty aaww (2x)

Thirty second high thirty second low
I've forgot my car let's get a cab and go
Somebody got the car, a riot's on the way
When we get to the club, there will be hell to pay
When we get to the club somebody better play
Get nasty ah ah get nasty aaww (2x)

Everybody's looking for a good time
Don't you know a good time does it hurt
Everybody's wants to feel the spotlights
So let me show you how my nasty works

Living on the floor get down with me
Living on the floor come on with me
Get nasty ah ah get nasty aaww (2x)

Everybody's looking for a good time
Don't you know a good time does it hurt
Everybody's wants to feel the spotlights
So let me show you how nasty works
Whooohooohooo whoohooohooo just work it

Thirthy second high thirty second low
I've forgot my car let's get a cap and go

Living on the floor get down with me
Living on the floor come on with me
Get nasty ah ah get nasty aaww (2x)
Whooohooohooo whoohooohooo (4x)

All the nasty girls are around the world (5x)
