Hey You, Livin For Tomorrow
You Sell Your Dreams For A Pocket Of Change
Hey You, Smoking Up Your Sorrow
Just Pointing Fingers At Someone To Blame

Hey You, You Turned Your Back On Your Children
It's Left You In That Big Burning Bed
This Lifes Like Livin In The Gutter
All This Pain Just Makes You Feel Dead

You're Just Givin It All
Givin It All Away
You're Just Givin It All
Givin It All Away

Slow Down Just Look A Little Closer
You Might Find That It's Not The End
You Wonder How Your Life Could Get Better
When Your Alone You Just Tear Yourself Down

You're Just Givin It All
Givin It All Away

You're Just Givin It All
Givin It All Away(x2)

Try And Find Your Better Half Now
Open Your Eyes And Find Yourself

Hey Girl, Screamin For Attention
Once You Get It You Through It Away
I'm Broken, I'm Picking Up The Pieces
I Won't Live In All Your Mistakes

I'm Just Givin It All
Givin It All Away
I'm Just Givin It All
Givin It All Away(x2)
