Sometimes I get down goin' south,
Take it easy, let go, then I'm out,
People in Hollywood take away the good,
Not goin' home but I know I should...
Get out,
I'm out

Packing up my bags I'm leaving town,
I call my mum and she says that I can,
And everytime I lose myself,
I'm just another girl,
Hangin' round,
Hangin' down,
In Hollywood
In Hollywood

Put on my boots I'm goin' home,
Headin' back to Texas, I'm gone,
Hey ya'll wheres the party goin' on?,
Cuz I'm out,
Yeah I'm out

Packing up my bags I'm leaving town,
I call my mum and she says that I can,
And everytime I lose myself,
I'm just another girl,
Hangin' round,
I'm hangin' down,
In Hollywood.
