You can look but don't touch
Touch my my my hot stuff
Give me another reason to leave me alone
I feel better on my own
Don't touch my hot stuff

I'll blow you kisses give you 3 wishes if ya want, if ya
want,
I'm not serious and in the end you not gettin none,
gettin none
Please please please
Keep your hands off me

Ahh Yaa
Look at me look at me
Nuu Ahh
Tell me what you see what you see

You can look but don't touch
Touch my my my hot stuff
Give me another reason to leave me alone
I feel better on my own

I can play the game I know I'm not a shame (I know I'm
hot, know I'm hot)
Don't touch me cuz if you do (You wont get a lot get a
lot)
Of happiness in life because you will have strife from
whatever comes across to as 'playin'

Ahh Yaa
Look at me look at me
Nuu Ahh
Tell me what you see what you see

You can look but don't touch
Touch my my my hot stuff
Give me another reason to leave me alone
I feel better on my own

Na na na na na na
No no no no no no

Nu nu nu nu nu nu
Please you have to go

Ahh Yaa
Look at me look at me
Nuu Ahh
Tell me what you see what you see

You can look but don't touch
Touch my my my hot stuff
Give me another reason to leave me alone
I feel better on my own
I feel better on my own
I feel better on my own

Don't touch my (Hot Stuff).
