

## Ashlee Simpson "I Get Away With It"

Visit "[I Get Away With It](#)" on MotoLyrics.com

I took a dose of your medicine  
You tell me to leave but I come back again  
I don't see what all the fuss is about cuz IÂ'm okay  
Soon you will see that I got ability to get my ways

So donÂ't keep me in the dark cuz IÂ'll find the light  
(find the light)  
DonÂ't keep me in the the dark cuz IÂ'll find the light  
(don't don't don't)  
I said donÂ't keep in the dark cuz IÂ'll find the light  
(find the light)  
DonÂ't keep in the dark , donÂ't keep in the darkÂ...

I was alone until I found Johnny  
He was a good boy until he got behind me  
No she didnÂ't, yes she did!

I got a monkey on my back  
He helping me get it off, he helping me get it off  
I got a monkey on my back  
He helping me get it off, he helping me get it off

So donÂ't keep me in the dark cuz IÂ'll find the light  
(find the light)  
DonÂ't keep me in the the dark cuz IÂ'll find the light  
(don't don't don't)  
I said donÂ't keep in the dark cuz IÂ'll find the light  
(find the light)  
DonÂ't keep in the dark , don't keep in the darkÂ...

(Rap)

They told me to get my muthafucken hands up  
But I was handcuffed to the bed and couldnÂ't get em  
up

(BRIDGE)

IÂ'm your sunshine, sunrise.. (youÂ're my sunshine)  
you make it sound easily for me to cry ( so easily for  
me to cry)  
IÂ'm your sunshine, come get by  
My fears go black in the moonlightÂ...Â...

I got a monkey on my back  
He helping me get it off, he helping me get it off  
I got a monkey on my back  
He helping me get it off, he helping me get it off

I got a monkey on my back  
He helping me get it off, he helping me get it off  
I got a monkey on my back  
He helping me get it off, he helping me get it off

So don't keep me in the dark cuz I'll find the light  
(find the light)  
Don't keep me in the the dark cuz I'll find the light  
(don't don't don't)  
I said don't keep in the dark cuz I'll find the light  
(find the light)  
I said don't keep in the , I said don't keep in the  
dark...

I get away with it, I get away it  
Ahhh  
I get away with it, I get away it  
They say i get away with murder  
They say I get away with murder  
They say I get away with murder
