I'm about to lose control

I, I don't know why
Why you need some reason to feel lost inside
You, you know that I'm alright
You know that I'm just the kind of girl that feels so hurt
and smiles

chorus

I don't use excuses
Don't ask why
It's just a breakdown
It happens all the time
So get out of my face
Don't even try
Ya wanna help me, just let me cry

Yeah I loved you all my life
You don't even know a thing I feel inside
No, by the look in my eye
That I'm just fine but I might need you to hold me tight

chorus

I don't use excuses
Don't ask why
It's just a breakdown
It happens all the time
So get out of my face
Don't even try
Ya wanna help me, just let me cry
(Repeat)

I had a bad day, I'll cry if I want to, cry if I want to, cry
I had a bad day, I'll cry if I want to, cry if I want to, cry
I had a bad day, I'll cry if I want to, cry if I want to, cry
I had a bad day, I'll cry if I want to, cry if I want to, cry

Just let me- cry

Just let me cry, I'm crying, I'm breaking down
I'm breaking down just let me cry

chorus

I don't use excuses

Don't ask why

It's just a breakdown

It happens all the time

So get out of my face

Don't even try

Ya wanna help me, just let me cry

(Repeat)
