I'm about to lose control

I, I don't know why
Why you need some reason
To feel lost inside

You, you know that I'm alright
You know that I'm just the kind of girl
That feels so hurt and smiles

I don't need excuses
Don't ask why
It's just a breakdown
Happens all the time

So get out of my face
Don't even try
You wanna help me
Just let me cry

Yeah, I loved you all my life
You don't even know a thing I feel inside
Know, by the look in my eye
That I'm just fine
But I might need you to hold me tight

I don't need excuses
Don't ask why
It's just a breakdown
It happens all the time

So get out of my face
Don't even try
You wanna help me, just let me

I don't need excuses
Don't ask why
It's just a breakdown
It happens all the time

So get out of my face
Don't even try

You wanna help me, just let me

I had a bad day, I'll cry if I want to
Cry if I want to, cry
I had a bad day, I'll cry if I want to
Cry if I want to, cry

I had a bad day, I'll cry if I want to
Cry if I want to, cry
I had a bad day, I'll cry if I want to
I'll cry if I want to, cry

Just let me cry
Just let me cry, let me cry
I'm breaking down
I'm breaking down
Just let me cry

I don't need excuses
Don't ask why
It's just a breakdown
It happens all the time

So get out of my face
Don't even try
You wanna help me, just let me

I don't need excuses
Don't ask why
It's just a breakdown
It happens all the time

So get out of my face
Don't even try
You wanna help me
Just let me cry
