You can dress me up in diamonds
You can dress me up in dirt
You can throw me like a lineman
I like it better when it hurts
Oh I have waited here for you
I have waited

You make me wanna lala
In the kitchen
On the floor
I'll be a French maid
When I meet you at the door
I'm like an alley cat
Drink the milk up I want more
You make me wanna
You make me wanna scream

You can meet me on an aeroplane
Or in the back of the bus
You can throw me like a boomerang
I'll come back and beat you up
Oh I have waited here for you
Don't keep me waiting

You make me wanna lala
In the kitchen
On the floor
I'll be a French maid
When I meet you at the door
I'm like an alley cat
Drink the milk up i want more
You make me wanna
You make me wanna scream

I feel safe with you
I can be myself tonight
It's alright with you
'Cause you hold my secrets tight
You do, you do
You make me wanna lala lalala lalala lalalala lala
You make me wanna la lalala

You make me wanna lala
In the kitchen
On the floor
I'll be a French maid
When I meet you at the door
I'm like an alley cat
Drink the milk up I want more
You make me wanna
You make me wanna lala
In the kitchen
On the floor
I'll be a French maid
When I meet you at the door
I'm like an alley cat
Drink the milk up I want more
You make me wanna
You make me wanna scream

You make me wanna lala lalala lalala lalala la (x3)
