(Introduction)

Walking in the sand
Going to wild parties
Fly off my mind and
jump off an airplane
because it just me and my family

Don't tell me that I have no money to pay dinner
Don't tell me that I act crazy in my own world
Don't tell me that I beat myself up
because it just me and my family

Dumb,crazy,party animal,and I don't care
Bad,funny,stupid world and I don't care

(repeat)

Brother and sister going crazy
The parents is confused in my world
Dogs taking to much crap out from
their a** because it just me and my family

It just me and my family(repeat 3times)
