Um excuse me but uh is this thing on?  
I got a boyfriend  
He likes to fight alot  
We got a lot in common  
And he thinks im fucking hot  
We like to break rules  
Both got tattoos  
We tend to smash thing  
And we like to scream like

Ahhh  
You dont want no problems you ain't got no beef  
Ahhh  
You dont want no problems you dont want no beef

I dont wanna fight tonight (hey, hey) but i ain't going  
home for no one  
I dont wanna fight tonight (hey, hey) but i ain't going  
home for no one

I just wanna color outside the lines  
I've been reprimanded bout a thousand times  
I'm a rulebreaker  
You know that im a rulebreaker

Some say i'm a black sheep cause i like to sleep late.  
Wake up round 3 o' clock. drinking til my tummy ache.  
Some (dont know if this is the exact word!) say i'm a  
rebel cause i keep making trouble  
Get here on the double before i break a little something  
like.

Ahhh  
You dont want no problems you ain't got no beef (no!)  
Ahhh  
You better keep quiet if you want your teeth

I dont wanna fight tonight but i ain't going home for no  
one  
I dont wanna fight tonight but i ain't going home for no  
one

I just wanna color outside the lines  
I've been reprimanded bout a thousand times  
I'm a rulebreaker  
You know that im a rulebreaker

I know you are but what am i  
I'm daddys little girl  
Bundle of kisses  
I'm just a princess, little miss perfect  
Everyone loves (or know im not sure and dont need  
backlash) it  
But thats another days theres rules to break yea

I dont wanna fight tonight but i ain't going home for no  
one  
I dont wanna fight tonight but i ain't going home for no  
one  
I dont wanna fight tonight but i ain't going home for no  
one (i aint going home for you)  
I dont wanna fight tonight but i ain't going home for no  
one

I know the grass is greener on the other side  
You dont want know problems you ain't got no beef  
I know they told you that you thought this pretty face  
You dont want know problems you ain't got no beef

Yo motherfucker whyd you stop the music
