I was six years old  
When my parents went away  
I was stuck inside a broken life  
I couldn't wish away  
She was beautiful  
She had everything and more  
And my escape was hiding out and running for the  
door  
Somebody listen please  
It used to be so hard being me

Living in the shadow  
Of someone else's dream  
Trying to find a hand to hold but every touch felt cold  
to me  
Living in a nightmare  
A never-ending sleep  
But now that I am wide awake  
My chains are finally free  
Don't feel sorry for me

All the days collided  
One less perfect than the next  
I was stuck inside someone else's life and always  
second best  
Oh, I love you now 'cause now I realize  
That it's safe outside to come alive in my identity  
So if you're listening  
There's so much more to me you haven't seen

Living in the shadow  
Of someone else's dream  
Trying to find a hand to hold but every touch felt cold  
to me  
Living in a nightmare  
A never-ending sleep  
But now that I am wide awake  
Then I can finally be  
Don't feel sorry-

Mother, sister, father, sister, mother  
Everything's cool now

Mother, sister, father, sister, mother  
Everything's cool now  
Oh, my life is good  
I've got more than anyone should  
Oh, my life is good  
And the past is in the past

I was living in the shadow  
Of someone else's dream  
Trying to find a hand to hold but every touch felt cold  
to me  
I'm living in a new day  
I'm living it for me  
And now that I am wide awake  
Then I can finally be  
Don't feel sorry for me  
Don't feel sorry, don't feel sorry for me

Living in, living in, living in the shadow  
Living in, living in, living in a new day
