Divaaaaa, diva baby  
And she's here to stay

She can dance  
She can dance and sing  
Shake it and groove  
She'll just do her thing  
Turn around  
Jump and touch the ground  
Listen up  
You gotta lose that frown!

Let's get moving we got some work to do  
DJ, keep that beat up pumping!  
Look around now, it's a party for you  
Get your body up and let's get jumping!

Diva's in the news got the moves and grooves  
She's gonna rock the dance floor out (diva baby)  
Don't catch your on the eye on the fly you know why  
Cause you know what it's all about (diva baby)  
(Ooohohohh)

Oh oh yeah  
Oh Whoa

Join the fun  
Move it side to side  
Feel the beat  
Loosen up your pride  
Take a chance  
There's no way to lose  
Don't be shy  
You got the moves!

Think about it where would you rather be?  
She's a diva and she knows it  
Got a shot at setting your speed at 3  
You just gotta show it

Diva's in the news got the moves and grooves  
She's gonna rock the dance floor out (diva baby)

(gonna rock the dancefloor out)  
Don't catch your on the eye on the fly you know why  
(yeah)  
Cause you know what it's all about (diva baby) (Ooh  
yeah, yeah)

Time is bright  
Don't let it pass for you  
Do your dance  
Try not to miss your cue  
It's your turn  
Step it up right now  
Do your thing  
No need to show you how

Trust yourself you can do anything  
Good enough, and you know it  
Don't think she needs a diamond ring  
Don't think she needs to pull it

Diva's in the news got the moves and grooves  
She's gonna rock the dance floor out (diva baby)  
Don't catch your on the eye on the fly you know why (On
