Once upon a time  
Is how fairy tales go  
Rainbows reach out  
To a pot of gold  
The world is a wonder  
It likes a surprise  
Believe it can happen  
Then you'll realize!

That dreams come true (Oh yes they do)  
When you believe  
In the magic in you  
Dreams come true  
When you believe  
In the magic in you  
Dreams come true, everyday

My dreams are the reflections  
Of the best part of me  
I can see where I am  
And where I will be  
And all of the dreams  
I work so hard to find  
Will really and truely  
Will truely become mine!

That dreams come true (Oh yes they do)  
When you believe  
In the magic in you (I'm telling you)  
Dreams come true (Oh, dreams come true)  
When you believe  
In the magic in you  
Dreams come true, everyday

Star light  
Star bright  
The star I seek tonight  
A wish I make  
A wish I might  
This wish I wish tonight!

(Ohhhhhhhhhhhh)

That dreams come true (Oh yes they do)  
When you believe  
In the magic in you (I'm telling you)  
Dreams come true (Oh, dreams come true)  
When you believe  
In the magic in you (When you believe in you)  
(I'm telling you) Dreams come true, everyday  
Mmmmmm...
