I've always known what I want to do
Never let down from my debut
But here I am, ready to give you
All the show
On a stage where I belong
Singing and dancing all night long
LA, New York, London and Tokyo!

Gonna give it all (Giving it all, giving it all)
At the biggest stadium
All of my fans will be (All of my fans, all of my fans)
In total delirium
Shooting my next video
Hearing my songs on the radio
Rolling Stones on the cellphone
No one knows just this where I will go

Autographs for everyone
Come on now let's have some fun
Limosines and private jets
Living the life of a pop princess
Parties with the movie stars
Driving all my fancy cars
Wearing my designer dress
Living the life of a pop princess
Pop, pop, pop, pop, princess

We are having the visual dreams
Some may call it too extreme
I can see my every fantasy come true
Everybody's got a shot
Keep on trying don't give up
Trust the points of view
You'll listen too!

You can be anyone (You can be, you can be)
And still be true to you
You can still have fun (You can, you can)
And be real too
Set a stage second to home
Spotlight on wherever you go

The beat is on and you start to flow
You just got to go
With what you know!

Autographs for everyone
Come on now let's have some fun
Limosines and private jets
Living the life of a pop princess
Parties with the movie stars
Driving all my fancy cars
Wearing my designer dress
Living the life of a pop princess

[Rap Verse]

Let me see ya bounce, see ya move
Let me sing my tune
Put your hands up, put them up
And now, let me hear ya scream and shout
Let me hear ya scream and shout say yeah! (Yeah!)
Let me see ya bounce, see ya move
Let me sing my tune
Put your hands up, put them up
And now, let me hear ya scream and shout
Let me hear ya scream and shout say yeah!

Autographs for everyone
Come on now let's have some fun
Limosines and private jets
Living the life of a pop princess
Parties with the movie stars
Driving all my fancy cars
Wearing my designer dress
Living the life of a pop princess
Pop pop pop pop princess
(Ooooooohh yeah)
Pop pop pop pop princess
(Ooooooohh yeahhhh)
Pop pop pop pop princess
(Oh yeah, oh yeah)
Pop pop pop pop princess

(Give what ya know to the show)
Autographs for everyone (Yeah!)
Come on now let's have some fun
Limosines and private jets (Ohhhhhhhhhhhhhhhhh)
Living the life of a pop princess (Mmmm)
Parties with the movie stars
Driving all my fancy cars (Oh yeah, yeah)
Wearing my designer dress
Living the life of a pop princess
