Back in the start
U had my heart
Holdin my hand, feet in sand
Romantic walks
But was it your plan
To be my man
Or be a dog
While I'm at home
You gone at to cheat

You had my heart...
Yes I'll admit you did and broke it apart
You played your cards
But baby I am the queen and you are just a pawn.

It was nice to know ya
But I'm bout to show ya
Can't belive u played me

After all that I did 4 ya
And now it's over
Now it's over
Now it's over
Loves over.

Some people forgive
And forget
But I wont let
U try to get over on me
I'm not the type to press rewind
Beacuse in the end
Everything falls down on me

Yeah
