I've seen lovers and I've seen liars,
I've seen the best of friends and the worst of enemies,
I've walked the roughest roads,
and felt the warmest sun.
And I've wished upon a many a star,
and cast a thousand dimes into a wishing well,
but I haven't had the love I have for you.

Oh tonight, oh tonight,
If I could stay forever here,
fire dancing in your eyes.
Oh tonight, oh tonight,
This is what I've waited for,
This is what I've wished for tonight.

I've winters and I've seen fires.
I've seen summers come to an end.
I've worn the best of clothes,
and seen the country side.
And I've broken up a many a hearts,
and cast demons and angels into heaven and hell,
But I haven't had the love I have for you.

Oh tonight, oh tonight,
If I could stay forever here,
fire dancing in your eyes.
Oh tonight, oh tonight,
This is what I've waited for,
This is what I've wished for tonight.
I'm falling away with you.
A moment could fall from view.
Just hold me and take me there,
Just take me with you.
It's a sight for sore eyes,
Don't let this moment die.
Just lift me up and take me there,
Just take me with you.

Oh tonight, oh tonight,
If I could stay forever here,
fire dancing in your eyes.
Oh tonight, oh tonight,

This is what I've waited for,
This is what I've wished for tonight.

I've seen lovers and I've seen liars,
I've seen the best of friends and the worst of enemies,
I've walked the roughest roads,
and felt the warmest sun.
And I've broken up a many a hearts,
and cast demons and angels into heaven and hell,
But I haven't had the love I have for you.

Oh tonight, oh tonight,
If I could stay forever here,
fire dancing in your eyes.
Oh tonight, oh tonight,
This is what I've waited for,
This is what I've wished for tonight.
