[Ashley:]

It's a crazy song rolling down the street
Do not be afraid to come & feel the beat
Driven by the DJ and the tour guide is me
If you're feelin' funky come and take a seat

[Chorus - both:]

Dance trance trolley swervin' out of the lines
All you need is a tune and a few clever rhymes
Come and hit a high note in the climax of your life
Everything is free, so come and take a ride

Dance trance trolley, number one, number one
Dance trance people, havin' fun, havin' fun

[Christine:]

Every record spinnin' as the wheels go round
This here trolley will take you across town
Pull a fastbreak so more people can jump on
More power to you if you can sing along

[Chorus - both:]

Dance trance trolley swervin' out of the lines
All you need is a tune and a few clever rhymes
Come and hit a high note in the climax of your life
Everything is free, so come and take a ride

Dance trance trolley, number one, number one
Dance trance people, havin' fun, havin' fun

[Both:]

To have a good time, baby there's no fee

[Ashley:]

Grab a disco ball and come party with me

[Chorus - both:]

Dance trance trolley swervin' out of the lines
All you need is a tune and a few clever rhymes
Come and hit a high note in the climax of your life
Everything is free, so come and take a ride

[Chorus - both:]

Dance trance trolley swervin' out of the lines
All you need is a tune and a few clever rhymes
Come and hit a high note in the climax of your life
Everything is free, so come and take a ride

Dance trance trolley, number one, number one
Dance trance people, havin' fun, havin' fun
Dance trance trolley, number one, number one
Dance trance people, havin' fun, havin' fun
