I got brand new clothes in my closet
Play that music, never pause it
Brand new shoes from the highest end
I like that sound, so play it again
Never gonna compromise
I'll give a piece of my mind

[Chorus:]

I got all dolled up for Friday night
Bring the bad girl out for a wild ride
All dressed up & ready to kill
Come on boys, have you had your fill?

Hair let loose, slightly crimped
I want a real man, not a gangster pimp
Treat me right or pay the price
Or I'll give you a piece of my mind
Baby, baby, flash that shine
Gotta, gotta make you mine

[Chorus:]

I got all dolled up for Friday night
Bring the bad girl out for a wild ride
All dressed up & ready to kill
Come on boys, have you had your fill?

Clap and stomp so this ish don't stop
Throw away the halo before I pop
Girly girl, been labeled so proud
Doesn't mean I never draw a crowd
Get them screaming so loud tonight
Time to give them a piece of my mind

[Chorus:]

I got all dolled up for Friday night
Bring the bad girl out for a wild ride
All dressed up & ready to kill
Come on boys, have you had your fill?

[Chorus:]

I got all dolled up for Friday night
Bring the bad girl out for a wild ride

All dressed up & ready to kill
Come on boys, have you had your fill?
