There may be times when you wanna give up
When you just wanna scream enough is enough
But you need to just hold on
You got to stay strong
Things will get better soon
Oh, I'm telling you

[Chorus]
Just wait a minute
And you will see
I wouldn't lie
So trust me
The rain will soon dry
And everything will be okay
So baby, please don't cry
All your troubles will go away

All the bad things will work out
If you have to, just go and shout
I've had bad times too
Baby, I'm really just like you
And it may be hard to believe
But the rain will clear so you can see

[Chorus]

Just be free
Don't thank me
Just fly away
Into the trees

[Chorus x3]
