So I was bored one Sunday night
Thought I'd drive up to a bar
This brown-eyed boy said I look alright
And you should know he stole my heart
He grabbed my hand and danced with me
Saw him blush, he liked my moves
He said, "Girl, we should start a scene"
I'm glad he caught me in the mood

[Chorus:]

I got myself a boyfriend for the first time in a while
He's got a good heart and a super charming smile
I got myself a man, somebody to hold my hand
Took a thousand years and I finally understand

Oh boy, you cannot hurry love
I would rather give it up
Realize you shouldn't change a thing
Because you're not a summer fling
You're the one to who I cling

[Chorus:]

I got myself a boyfriend for the first time in a while
He's got a good heart and a super charming smile
I got myself a man, somebody to hold my hand
Took a thousand years and I finally understand

So tell me do you want me now?
I hope you know I can be loud
I give you permission to touch
'Cause you're my newfound love

[Chorus:]

I got myself a boyfriend for the first time in a while
He's got a good heart and a super charming smile
I got myself a man, somebody to hold my hand
Took a thousand years and I finally understand

[Chorus:]

I got myself a boyfriend for the first time in a while
He's got a good heart and a super charming smile
I got myself a man, somebody to hold my hand

Took a thousand years and I finally understand
