[Chorus:]

It's just you & I for the very first time
Seems like forever since my Valentine's
When I'm with you, everything's fine
So together, boy, let's share the wine

But that's in the past
Never thought it would last
Always watchin' my back
Patience is what I lack
Gotta run away fast
Our sea of memories is too vast

[Chorus:]

It's just you & I for the very first time
Seems like forever since my Valentine's
When I'm with you, everything's fine
So together, boy, let's share the wine

That's what I thought
But I had it all wrong
So I wrote you a song
The story's so long
We only ever fought
Everything was distraught

[Chorus:]

It's just you & I for the very first time
Seems like forever since my Valentine's
When I'm with you, everything's fine
So together, boy, let's share the wine

It's time to take our pictures down
And pass the glass back on around

[Chorus:]

It's just you & I for the very first time
Seems like forever since my Valentine's
When I'm with you, everything's fine
So together, boy, let's share the wine

[Chorus:]

It's just you & I for the very first time
Seems like forever since my Valentine's
When I'm with you, everything's fine
So together, boy, let's share the wine
