Deeper than the deepest deep blue sea  
High as a girl in a redwood tree  
Lonesome as a cowboy on TV  
That's what it feels like to be me

Chorus

Hey Ho I wanna let go  
To everybody I ever did know  
Swing your partner, dosey do  
Save me from tomorrow  
Ba ba ba ba ba ba...

Swinging like a rope on a southern breeze  
Shaking like a pilgrim beyond belief  
Falling like an angel, endlessly  
That's what it feels like to be me  
That's what it feels like to be me

Chorus
