If the sun were to go cold
What would you do?
If there was someone I hold
Would he be you?
And if I had to die
Would you save me?
And if you ever cared
Why didn't you see?

When you leave
I feel ten times better
When you are gone
I can breathe

[Chorus]
Shattered
Looks like we hit the floor
Broken
Couldn't take it anymore
Torn
It doesn't matter anyway
Shattered
Until the end of night and day

When I go away from here
Will you miss me?
When we are through, my dear
Will you regret that you kissed me?
Are you a supernatural wonder?
A seven-sea dark abyss?
Broken off by the raging thunder
I'm tired of all this

When you leave
I feel ten times better
When you are gone
I can breathe

[Chorus]

If I leave
Will you feel better?

When I am gone
Can you breathe?
I hope you'll see
One day you'll see
Baby, we'll see
If you can breathe

[Chorus x2]
