[Verse 1:]

Sailing in the sea, we just wanna have fun
Listening to music and chilling in the sun
See a fin in the water, and we start to panic
We need some shark bait, but who the fuck do we pick?

[Bridge:]

He's hungry
He's very hungry
He's gonna eat you
He'll feed on you

[Chorus:]

We gotta do it
'cause we gotta escape Jaws
Dum, dum, dum, dum, dum, dum, dum
You're bait for the shark

[Verse 2:]

Who the hell will we choose, for the sacrifice
We gotta give him, someone who'll taste nice
It can't be me cause, I'll just taste like shit
We can't just sit here, and discuss it

[Bridge:]

He's hungry
He's very hungry
He's gonna eat you
He'll feed on you

[Chorus:]

We gotta do it
'cause we gotta escape Jaws

Dum, dum, dum, dum, dum, dum, dum
You're bait for the shark
Stop!
Solo time!

[Guitar Solo]

[Bridge:]

He's hungry
He's very hungry
He's gonna eat you
He'll feed on you

[Chorus:]
We gotta do it
'cause we gotta escape Jaws
Dum, dum, dum, dum, dum, dum, dum
You're bait for the shark

[Verse 3:]
Time is ticking and, he's gonna attack
I got a shiver, running down my back
I doubt that we will, ever stay afloat
I think that we're gonna, need a bigger boat

[Bridge:]
He's hungry
He's very hungry
He's gonna eat you
He'll feed on you

[Chorus:]
We gotta do it
'cause we gotta escape Jaws
Dum, dum, dum, dum, dum, dum, dum
You're bait for the shark
