[Chorus]

Either you love me or hate me  
This game is driving me crazy  
Either you stay or you go  
On the way out close the door  
I can't stand all the lies  
There's no truth to your cries  
And on the question of love  
I don't want it no more

[Verse]

I gave all that I could  
But in the end I was misunderstood  
I was blinded by your looks and your beauty no finer  
crook  
You committed Grand Larceny  
To my dreams and my fantasies  
Broke me down in so many ways  
But now I must say

(Hook)

[Breakdown]

No more no more no more no more no more no more  
no more  
I don't want it no more

[Verse]

It's like a blast from the past boy  
And I must ask you boy  
Did you ever want me too  
Did you ever want me too?  
And the way that I love you  
I know that you aint got a clue  
So what am I supposed to do  
When I'm feeling in the mood

(Hook)

[Breakdown]

No more no more no more no more no more no more  
no more

I don't want you no more
