Before pleasure there is pain
But how much pain is it gonna take
Was it worth all the heartache
Before the rainbow there's a storm
But how long will the rain fall down
If I could only see the sun

Disappointment, lot of doubts
On the ferris wheel round and round
Is this the way it's suppose to be baby

Loving you shouldn't be like this
How much more will I have to give
Will the hurt ever disappear at night
Wanna know if it's just me
Am I wrong inside
Loving shouldn't be like this
How much more is it gonna take
Will we ever see the light of day
Dark clouds gon' away

When enough is enough
There nothing more you can do or
Say to me
Time after time I try to be
What you need for me but I cannot be when I'm losing
me
So what we gonna do about this love
It shouldn't be this heart hurt this long
Time is on the essence baby
What are we waiting on

Disappointment, lot of doubts
On the ferris wheel round and round
Is this the way it's suppose to be baby
More confusion, argument, love's roller coaster what is
this
Is this the way it's suppose to be baby

Loving you shouldn't be like this
How much more will I have to give
Will the hurt ever disappear at night

Wanna know if it's just me
Am I wrong inside
Loving shouldn't be like this
How much more is it gonna take
Will we ever see the light of day
Dark clouds gon' away

Just want the sun
To be through the clouds
Can I see your rainbow baby
Let it shine on me
All I need from you
Is to let me know
Am I what you need
Should we be

Loving you shouldn't be like this
How much more will I have to give
Will the hurt ever disappear at night
Wanna know if it's just me
Am I wrong inside
Loving shouldn't be like this
How much more is it gonna take
Will we ever see the light of day
Dark clouds gon' away
