Light weight, cheap date, buy me a stiff drink
Watch those hands at least for now
Your quick wit bullshit about my cigarette
You might have a chance once the band gets loud

WeÂ're both lookinÂ' for somethinÂ'
Baby you think that youÂ're him

Â'Cause I got what a good man needs
HeÂ's never gonna want to let go of me
And IÂ'll show him how good it can get
I got it
Who wants it

Later, maybe, guess weÂ'll wait and see
IÂ'll let ya know at the end of the night
A little tease boy please you must not know me
YouÂ'll get a chance if you play your cards right
SomebodyÂ's gonna get lucky
Baby who is it gonna be

Â'Cause I got what a good man needs
HeÂ's never gonna want to let go of me
And IÂ'll show him how good it can get
I got it
Who wants it
