Th-th-this beat is hypnotic
I wanna ride like a shofa
The sound of zonic's
Controlling me just like a rova
I go bionic, so D-D-DJ put it on
I'm losing logic and cruising deeper in the zone

It's so cinematic
Charismatic

G-Got me froze up

This psychopathic
Beat is something

I need a dose of
I'm systematic
Mo-Moving every single bone
There's no mechanic
That can't understand what I'm on

Let's crank it up {crank it up}
Until the walls cave in
Just Crank it up {Crank it up}
Put that record on spin
Cause I am ready to party
Gonna get my girls and get naughty
Just Crank it up {Crank it up}
Until the walls cave in
Just crank it up

Oh, oh, oh, whoa
Oh, oh, oh, whoa {Crank it up}
Oh, oh, oh, whoa
Oh, oh, oh, whoa

Th-th-this beat is melodic
Harmonic, got me striking poses
I get up on it, electronically feeling so fresh
It's so erotic my body's like a cyclone
I'm like a puppet, can't stop it
Drop it like a stone

It's so cinematic
Charismatic

G-Got me froze up

This psychopathic
Beat is something

I need a dose of
I'm systematic
Mo-Moving every single bone
There's no mechanic
That can't understand what I'm on

Let's crank it up {crank it up}
Until the walls cave in
Just Crank it up {Crank it up}
Put that record on spin
Cause I am ready to party
Gonna get my girls and get naughty
Just Crank it up {Crank it up}
Until the walls cave in
Just crank it up

Up, up, up, DJ, up, up, up
Turn it up, turn it up, turn it up louder!

Let's crank it up {crank it up}
Until the walls cave in
Just Crank it up {Crank it up}
Put that record on spin
Cause I am ready to party
Gonna get my girls and get naughty
Just Crank it up {Crank it up}
Until the walls cave in
Just crank it up

I systematically move every bone
So crank it up I wanna get in the zone
I systematically move every bone
So crank it up I wanna get in the zone
