Zoom, zoom, zoom
Zoom, zoom, zoom

Zoom zoom in under my skin
Gotta slow down now to begin
Baby, don't rush
You can look but don't touch

You think you know
When you see me in my videos
How the story goes
But that's just the side that I expose

Look through the lens
You see my body, not who I am
So don't pretend
And try to act like you're my boyfriend

You wanna get somewhere
Then boy, don't touch me there
Just get up close and personal, personal

Zoom zoom in under my skin
Gotta slow down now to begin
Baby, don't rush
You can look but don't touch

Zoom zoom in to my head
Gotta know me to be my man
Boy, prove your love
You can look but don't touch
Zoom, zoom, zoom

You won't behave
You're getting all up in my space
Barely know your name
You're trying to score but it's not a game

Boy, get a clue
Yeah, you gotta spend the time, pay your dues
Following the rules
If you want me to wanna be with you

You wanna get somewhere
Then boy, don't touch me there
Just get up close and personal, personal

Zoom zoom in under my skin
Gotta slow down now to begin
Baby, don't rush
You can look but don't touch

Zoom zoom in to my head
Gotta know me to be my man
Boy, prove your love
You can look but don't touch

Zoom zoom in under my skin
Gotta slow down now to begin
Baby, don't rush
You can look but don't touch

Zoom zoom in to my head
Gotta know me to be my man
Boy, prove your love
You can look but don't touch

Don't you dare touch me there
If you want to get somewhere
Zoom in, get to know me, boy
Don't rush

Baby, don't rush
You can look but don't touch

Zoom zoom in to my head
Gotta know me to be my man
Boy, prove your love
You can look but don't touch

Zoom zoom in under my skin
Gotta slow down now to begin
Baby, don't rush
You can look but don't touch

Zoom zoom in to my head
Gotta know me to be my man
Boy, prove your love
You can look but don't touch

Zoom, zoom, zoom
Zoom, zoom, zoom
Zoom, zoom, zoom

Zoom, zoom, zoom, zoom
