Zoom, zoom, zoom  
Zoom, zoom, zoom

Zoom zoom in under my skin  
Gotta slow down now to begin  
Baby, don't rush  
You can look but don't touch

You think you know  
When you see me in my videos  
How the story goes  
But that's just the side that I expose

Look through the lens  
You see my body, not who I am  
So don't pretend  
And try to act like you're my boyfriend

You wanna get somewhere  
Then boy, don't touch me there  
Just get up close and personal, personal

Zoom zoom in under my skin  
Gotta slow down now to begin  
Baby, don't rush  
You can look but don't touch

Zoom zoom in to my head  
Gotta know me to be my man  
Boy, prove your love  
You can look but don't touch  
Zoom, zoom, zoom

You won't behave  
You're getting all up in my space  
Barely know your name  
You're trying to score but it's not a game

Boy, get a clue  
Yeah, you gotta spend the time, pay your dues  
Following the rules  
If you want me to wanna be with you

You wanna get somewhere  
Then boy, don't touch me there  
Just get up close and personal, personal

Zoom zoom in under my skin  
Gotta slow down now to begin  
Baby, don't rush  
You can look but don't touch

Zoom zoom in to my head  
Gotta know me to be my man  
Boy, prove your love  
You can look but don't touch

Zoom zoom in under my skin  
Gotta slow down now to begin  
Baby, don't rush  
You can look but don't touch

Zoom zoom in to my head  
Gotta know me to be my man  
Boy, prove your love  
You can look but don't touch

Don't you dare touch me there  
If you want to get somewhere  
Zoom in, get to know me, boy  
Don't rush

Baby, don't rush  
You can look but don't touch

Zoom zoom in to my head  
Gotta know me to be my man  
Boy, prove your love  
You can look but don't touch

Zoom zoom in under my skin  
Gotta slow down now to begin  
Baby, don't rush  
You can look but don't touch

Zoom zoom in to my head  
Gotta know me to be my man  
Boy, prove your love  
You can look but don't touch

Zoom, zoom, zoom  
Zoom, zoom, zoom  
Zoom, zoom, zoom

Zoom, zoom, zoom, zoom
