Boy walk in the spot, he's so fresh and  
He got what he needs to impressin'  
Just look at the way that he dressin'  
Ain't no question chicks like oh.

Girl walkin' the spot, she stop traffic  
She's blowing your mind with her asset  
So Jessica Alba fantastic,  
Instant classic boys like oh.

Maybe I can see us moving like that.  
Maybe I can see us touching like that.  
Baby I can see us kissing like that.  
We don't need no more that he said she said.  
Maybe I can see us moving like that.  
Maybe I can see us touching like that.  
Baby I can see us kissing' like that.  
We don't need no more that he said she said.

He said girl you winnin'  
She said boy where you've been at  
Stop talking let's get with it  
Just like that they  
He said you're amazing  
She said then why you waiting  
No more deliberating  
What you doin' let's get to it  
Just like that they

Boy actin' as if there's no pressure  
He do everything to get with her  
He say anything to convince her.  
Money spent to diamonds send her

Girl playin' it cool but she's with it  
She lovin' the fact that she's gifted  
Everything he do she gets lifted  
Feels so wicked lovin' like oh.

He said girl you winnin'  
She said boy where you've been at  
Stop talking let's get with it  
Just like that they  
He said you're amazing  
She said then why you waiting

No more deliberating  
What you doin' let's get to it  
Just like that they

One night with you, for just one day with you,  
All the things we could do,  
Every day I think of

One night with you  
no one else but us two  
All our dreams would come true  
If we'd just get together

Uh, what you waitin' for?

He said girl you winnin'  
She said boy where you've been at  
Stop talking let's get with it  
Just like that they  
He said you're amazing  
She said then why you waiting  
No more deliberating  
What you doin' let's get to it  
Just like that they

Give it to me baby

You're gonna like it  
You're gonna want it  
You're gonna like it  
We don't need no more that he said she said.  
You're gonna like it  
You're gonna want it  
You're gonna like it  
We don't need no more that he said she said.
