He got what he needs impressin' (uh huh)

Just look at the way he dressin'

Ain't no question, chicks like, "What?"

Girl walkin' the spot she stop traffic (uh huh)

She got everything you can't pass it (uh huh)

So Jessica Alba fantastic

Instant classic, guys like, "whoo, whoo!"

Baby I can see us bein' like that (Like that!)

Baby I can see us dancin' like that (Like that!)

Baby I can see us chillin' like that (Like that!)

We don't need no more than he said, she said!

Baby I can see us bein' like that (Like that!)

Baby I can see us dancin' like that

(Like that!)

Baby I can see us chillin' like that (Like that!)

We don't need no more than he said, she said!

He said, "Girl you're winnin',"

She said, "Boy where you been at?"

Stop talkin' for a minute

Just like that they...

He said, "You're my baby,"

She said, "You drive me crazy,"

No more deliberatin'

What 'cha doin'?

Let's get movin'

Just like that they...

Boy actin' as if there's no pressure (uh huh)

He do anything to impress her (uh huh)

He say anything to just win her,

Money spent, two diamond center

Girl playin' it cool but she's with it! (uh huh)

She lovin' the fact that she's gifted (uh huh)

Everything that he do she gets lifted,

Feels so wicked dancin' like, "What?"

Baby I can see us bein' like that (Like that!)

One night with you, boy just one night with you,
Everything's so brand new, everyday I think of...
Bein' with you no one else but us two,
All our dreams would come true, if we just get
together!

Yeah, yeah, yeah!
