Boy walkin' the spot he's so freshin'
He got what he need to impressin'
Just look at the way that he dressin'
Ain't no question, chicks like "wooo"

Girl walkin' the spot she stop traffic
She blowin' your mind with her asset
so Jessica Alba fantastic
Instant classic, boys like "ooh"

[Chorus]

Maybe I can see us movin' like that,
Maybe I can see us touchin' like that
Baby I can see us kissin' like that,
We don't need no more that "he said, she said-"
Maybe I can see us movin' like that,
Maybe I can see us touchin' like that
Baby I can see us kissin' like that,
We don't need no more than "he said, she said-"

He said, "girl ya winnin'"
She said, "boy where u been at?"
"Stop talkin, let's get with it"
Just like that, they-
He said, "you're amazing"
She said "then why you waiting, no more deliberatin',
what u doin, lets get to it"
Just like that, they-

Boy actin' as if there's no pressure,
he do anything to get with her
he say anything to convince her
money spent, to diamonds send her,
Girl playin' it cool, but shes with it
she lovin' the fact that she's gifted
everything he do she gets lifted
feel so wicked, lovin' like "ooh"

Maybe I can see us movin' like that (like that)
Maybe I can see us touchin' like that (like that)
Baby I can see us kissin' like that,
We don't need more than "he said, she said-"

Maybe I can see us movin' like that,
Maybe I can see us touchin' like that
Baby I can see us kissin' like that,

We don't need no more than "he said, she said-"

He said, "girl ya winnin"
She said, "boy where u been at?
Stop talkin, let's get with it"
Just like that, they-
He said, "you're amazing "
She said "then why you waiting, no more deliberatin',
whatcha doin, lets get to it"
Just like that, they-

One night with you,
Boy just one night with you,
All the things we could do
Everyday I think of-
One night with you,
No one else but us two,
All our dreams would come true
if we'd just get together

Maybe I can see us movin' like that,
Maybe I can see us touchin' like that
Baby I can see us kissin' like that,
We don't need no more than "he said-, she said-"
Maybe I can see us movin' like that,
Maybe I can see us touchin' like that
Baby I can see us kissin' like that,
We don't need no more than "he said-, she said-"

(Uh)
Watcha waitin' for?

He said, "girl ya winnin"
She said, "boy where u been at?" (where u been)
"Stop talkin, let's get with it"
Just like that, they-
He said, "you're amazing "
She said "then why you waiting, no more deliberatin',
whatcha doin, lets get to it"
Just like that, they-

Give it to me, Baby

You're gonna like it (ooh)
You're gonna want it (ooh)
You're gonna like it
We don't need more than "He said,she said-"

You're gonna like it, (yeah)
You're gonna want it (you're gonna want it yeah)
You're gonna like it,
We don't need no more than "He said, She said!"
