Momma never told me how to love, daddy never told  
me how to feel,  
Momma never told me how to touch, daddy never  
showed me how to heal  
momma never set a good example, daddy never held  
mommas hand  
momma found everything hard to handle, daddy never  
stood up like a man

Ive walked alone, broken, emotionally frozen, Getting it  
on, getting it wrong

How do you love someone, without getting hurt, how do  
you love someone without crawling in the dirt  
so far in my life clouds have blocked the sun  
How do you love, How do you love someone  
How do you love, How do you love someone

I was always a chosen child, the biggest scandal I  
became, they told me Id never survive, but survive was  
my middle name!

Ive walked alone, hoping, just barely coping, Getting it  
on, getting it wrong

How do you love someone, without getting hurt, how do  
you love someone without crawling in the dirt  
so far in my life clouds have blocked the sun  
How do you love, How do you love someone  
How do you love, How do you love someone

Its hard to talk, see whats deep inside, its hard to tell  
the truth, when youve always lied.

How do you love someone, without getting hurt, how do  
you love someone without crawling in the dirt  
so far in my life clouds have blocked the sun  
How do you love, How do you love someone  
How do you love, How do you love someone

How do you love someone, and make it last, how do

you love someone, without shrinking on the past  
so far in my life clouds have blocked the sun  
How do you love, How do you love someone  
How do you love, How do you love someone  
Someone.
