You told me  
there's no need  
To talk it out  
Cause its too late  
To proceed  
And slowly  
I took your words and walked away

No looking back  
I wont regret, no  
I will find my way  
I'm broken  
But still I have to say

[Chorus]  
It's Alright, OK  
I'm so much better without you  
I wont be sorry  
Alright, Ok  
So don't you bother what I do  
No matter what you say  
I wont return  
Our bridge has burned down  
I'm stronger now

Alright , Ok  
I'm so much better without you  
I wont be sorry

You played me  
Betrayed me  
Your love was nothing but a game  
Portrayed a role  
You took control, I  
I couldn't help but fall  
So deep  
But now I see things clear

[Chorus]

Don't waste you fiction tears on me  
Just save them for someone in need

It's Way too late  
I'm closing the door

[Chorus]
