Hip shaker
Dream maker
Heart breaker
Earth Quaker
I can be anything that you want me to

Coins spender
Mind bender
Jet setter
Go getter
Changing my get up for anything you choose

I don't mind trying on someone else
I won't mind seeing just how it felt
I might like changing my disguise
To make you happy

Here's my formal invitation
You and me go masquerading
Lose ourselves in this charading
Is this love were imitating?
Do we want, what we got?
If not I, say so what
Here's my formal invitation
La la la la you can be my...

School teacher
Mind reader
Dream weaver
Just be the one I can count on to play it out with me

Hot waiter
Cool skater
Trail blazer
Pose major
Naughty or nice, what I know you want to be

You wanna try on someone else
You might like seeing how it felt
Do you mind changing your disguise
If it makes me happy

Here's my formal invitation
You and me go masquerading
Lose ourselves in this charading
Is this love were imitating?
Do we want, what we got?
If not I, say so what
Here's my formal invitation

Let's go
Let's go masquerading

We'll make it fun
When it's over and done
I still want you
To see the real me
No more disguises
Let true love decide if
We should be, together

Here's my formal invitation
You and me go masquerading
Lose ourselves in this charading
Is this love were imitating?
Do we want, what we got?
If not I, say so what
Here's my formal invitation

Let's go
Let's go masquerading

La la la la la la la la
La la la la la la la la
