Mom it's your birthday
Thanks for all the care and love you give,
not to mention the meals,
and times I get kinda' nervous
and forget to tell you how I feel
(shooby doo, shooby doo)

I'm a little high strung
just because I'm young
Mom I adore ya
and I'll do anything for ya...

Although my brothers make me frantic,
With every single crazy antic
and when I'm bouncing off the walls,
your the one who stays calm

Because you love me for who I am
I'll always love you mom.....
