I've got something inside of me
Something that needs to be heard
Deep down the voice is guiding me
In an the motion that's stirred

Why have I let others lead the way
When all along I know what it is
I want to say

What ever it is I'll do it
I'm the answer to your prayers
What ever you want stop looking
Nobody else compares
What you've ever see before
I'll give you so much more
You'll be totally impressed
I'm New York's Best Kept Secret

I thought I had a perfect plan
But I would wind up on top
One day I'm thinking: Yes, I can!
Next thing you know I'm a flop

Why did I have to play this silly game
I've got to shake up who he is
And stage my plan

What ever it is I'll do it
I'm the answer to your prayers
What ever you want stop looking
Nobody else compares
What you've ever see before
I'll give you so much more
You'll be totally impressed
I'm New York's Best Kept Secret

What if I missed my window?
What if I blew my shot?
But what the only chance I was going to get
I already got

I'm all ready to turn the page
Until I'm on stage in a show!
So nobody moves, I've got something to prove
Do not you know?

What ever it is I'll do it
I'm the answer to your prayers
What ever you want stop looking
Nobody else compares
What you've ever see before
I'll give you so much more
You'll be totally impressed
I'm New York's Best Kept Secret
