I'm off the wall
I'll be your femme fatale
I'm off the wall
I'm 'bout to lose it all
(repeat)

I'm in trouble
Done something wrong
Tore everything down
I can't stand to be alone
They're coming for me
To shut me down but
No they can't stop me
They heard I need you now

Slip on the Dolces
(hit the show)
Foot on the pedal
(to the floor)
Swerve off the curb yeah
(break the law)
I can't take this
I'm on the hunt to
(find your love)
I'm like an addict
(be my drug)
I need to feel your touch
You push me to the limit
Of love

I'm off the wall
I'm going crazy
I'll lose it all if
I can't be with you tonight
I'm off the wall but
You can tame it
I'll lose control if
I can't be with you tonight

I'm off the wall
I'll lose control

Off the wall
I'll lose control

I'm in trouble
Done something wrong
Tore everything down
I can't stand to be alone
They're coming for me
To shut me down but
No they can't stop me
They heard I need you now

Slip on the Dolces
(hit the show)
Foot on the pedal
(to the floor)
Swerve off the curb yeah
(break the law)
I can't take this
I'm on the hunt to
(find your love)
I'm like an addict
(be my drug)
I need to feel your touch
You push me to the limit
Of love

I'm off the wall
I'm going crazy
I'll lose it all if
I can't be with you tonight
I'm off the wall but
You can tame it
I'll lose control if
I can't be with you tonight
(repeat)

I'm off the wall
I'll lose control
Off the wall
I'll lose control
I'm off the wall
I'll lose control
Off the wall
I'll lose control
