Hook:

Won't you show me some baby
I gotta get some baby
Won't you show me some baby
Show me some positivity
Show me some positivity
Oh oh baby

From where I stand I see
A world of possibilities
So don't be going negative on me
Oh baby yeah
Love is hard
But that's alright
Give it time
It's worth the ride
You know
It's all in the way you

Chorus:

You're looking at me
I'm looking at you
What more do want
Show me some positivity
It's all that I got
It's leading me on
Can't leave it alone
Show me some positivity
You're making it harder
Than it has to be
So won't you please show me
Some positivity
Some positivity

Won't you show me some baby
I gotta get some baby

Wish I could get into your mind
So I could see if I'm inside
'Cause I know you're right here in mine,
Oh baby oh oh woah woah
The glass is half full but not empty

Why do you think u wont get none
You know it's all in the way you

Chorus:
You're looking at me
I'm looking at you
What more do want
Show me some positivity
It's all that I got
It's leading me on
Can't leave it alone
Show me some positivity
You're making it harder
Than it has to be

So won't you please show me
Some positivity
Some positivity

Bridge:
Don't bring me down
W'itcha baby, no
I'm on a high up here
And I don't want to let go
So I'm gonna tell you one more time

Won't you give me some baby
I got me goin crazy
Oh baby give it to me
(give it to me baby)

Chorus:
You're looking at me
I'm looking at you
What more do want
Show me some positivity
It's all that I got
It's leading me on
Can't leave it alone
Show me some positivity
You're making it harder
Than it has to be
So won't you please show me

Some

You're looking at me
I'm looking at you
What more do you want
Show me some positivity
It's all that I got

It's leading me on
Can't leave it alone
Show me some positivity
You're making it harder than it has to be
So wont you please show me
Some positivity
Some positivity

I gotta get some baby
Wont you show me some baby
I'm not a model, baby
Oh baby give it to me
You got me going crazy
Crazy, Crazy
Oh baby give it to me
Wont you show me some baby
I gotta get some baby
You got me going crazy
Crazy
