Yeah Yeah I can feel fabulous
Oh yeah I'm so fantabulous
You know I'm so happy
It's finally happening
Yeah
Chorus
I'm a cute princess
I'm princesshalicious
So glamorous
I eat from diamond dishes
I'm a fab hot diva
But I keep it clean
I'm sassy but happy and in between
Yeah Yeah I can see ya smiling
Oh yeah I heard the siren
Telling me to make my move
Cause I want you
(and you want me too)
Whoa
Chorus
I love me
I'm lovely
I want to stay pretty for a long
ti-ee-i-me
I want to stay beautiful
I want to stay sexy
I WANNA BE A PRINCESS FOR ALL
I WANNA BE A PRINCESS
FOR ALL OF MY LIIIIIIIFE
Chorusx2
Princess yep that's me me me
