If ya got the time I'll take it
If ya got the vibe we'll make it
I'll do that I'll do that
If you wanna dance let's move it
If you wanna play let's play it
I'll do that I'll do that

And I get on up
And I get on down
And I play the fool when I act the clown
You know that I'd do anything for you

If you want the world you got it
If you want the girl you got it
I'll do that baby
I'll do that
So much for you
If you want it all you got it
Can you hear me call you got it
I'll do that baby
I'll do that
So much for you
So much for you
So much for you

If ya got the game let's win it
If ya got the mood let's bring it
I'll do that I'll do that
If you got the song just sing it
If you sing it wrong just wing it
I'll do that I'll do that

And you get on up
And you get on down
And you make me smile when I wanna frown
You know that I'd do anything for you

Shake it

If you want the world you got it
If you want the girl you got it
I'll do that baby

I'll do that
So much for you
If you want it all you got it
Can you hear me call you got it
I'll do that baby
I'll do that
So much for you
So much for you
So much for you

'Cause if you want it
You've gotta have it, own it, feel it, and believe it
Go achieve it
And if you know it
You've gotta shout it, scream it, yell it, won't you show
it
Don't you blow it

If you want the world you got it
If you want the girl you got it
I'll do that baby
I'll do that
So much for you
If you want it all you got it
Can you hear me call you got it
I'll do that baby
I'll do that
So much for you
So much for you
So much for you

So much for you
So much for you
