I fell in a perfect way
Never had a choice to make
Crashed into your tidal wave
I didn't even struggle

Sailed right through your atmosphere
Closed my eyes and landed here
I didn't see the trouble
And I didn't care

I can't unlove you
Can't do that
No matter how I try

I'll never turn my back on
Someone who loved me too
I can do most anything I have to

But this one thing I cannot change
I almost kinda liked the pain
Wear your tattoo like a stain
And it will take forever to fade away

I can't unlove you
Can't do that

No matter how I try

I'll never turn my back on
Someone who loved me too
I can do most anything I have to

But I can't unlove you
Why would I want to?

I can't unlove you
Can't do that
I'll never get through it
Why would I want to?

There's always time for other dreams
Why must we erase these things?

I can't unlove you
Can't do that
No matter how I try

I'll never turn my back on
Someone who loved me too

But I can't unlove you
Can't do that
No matter how I try

I'll never turn my back on
Someone who loved me too
I can do most anything I have to
But I can't unlove you
